

INTERNATIONALLY CERTIFIED MASTERS COURSES IN LEADERSHIP AND MANAGEMENT OF PRODUCTIVITY

A world class range of complete on-line internationally certificated courses that support business leaders to drive sustainable increased business performance, productivity and profit. These are Masters level courses i.e. UK Level 7, India Level 8.

All the courses are assessed and internationally certificated by NOCN, one the UK's larger Government regulated awarding organisations. Content has been developed in partnership with the Institute of Productivity, which is a key partner to the internationally recognised body in this field - the World Confederation of Productivity Science.

Students will learn, test their understanding in exercises and then sit the final assessments to pass the course. The full curriculum, with the options, is appended as is a brochure providing further information. Successful students will be able to increase performance of their organisation.

We have a very flexible model which will allow a business leader or management student to start with the introductory foundation course and incrementally move up to a Certificate, Diploma and Extended Diploma.

The range of offers for India is:

International Certificated Masters Course

Masters - Strategic Leadership of Productivity and Performance Development (Foundation)

Masters - Certificate in Strategic Leadership of Performance and Productivity

Masters - Diploma in Strategic Leadership of Performance and Productivity

Masters - Extended Diploma in Strategic Leadership of Performance and Productivity

We also offer a package of the Diploma or Extended Diplomas together with a 2 week study programme at a management institute in the UK, consisting of 8 days of study at:

Masters - Diploma in Strategic Leadership of Performance and Productivity

Masters - Extended Diploma in Strategic Leadership of Performance and Productivity

Students will bear their own cost for travel and visas separately.
